

Where to find us:

We are based in the offices at the Overgate Shopping Centre in Dundee (shown in red in the map below). Access to the office block can be found at the east end of the centre, on the first floor, via Dundee College Overgate Learning Centre. Inform the reception of your arrival, sign in and take the lift to the 7th floor.

Parking for the centre can be accessed via West Marketgait or Willison Street, and also at North Lindsay Street, as shown on the map above.

How to get here

From Fife (Tay road bridge):

Exit the bridge using the left hand (west lane). At the roundabout take the right hand lane, and take the first exit from this lane (towards the city centre). At the traffic lights, stay in the right hand lane and go straight across the junction. At the Westport roundabout take the third exit on to South Ward Street, and then turn first right on to North Lindsay Street, where parking is available. Additionally, at the end of North Lindsay Street the road goes round to the left on to Willison Street, where parking in the centre itself is available. Additional access to the centre is found via West Marketgait (the fourth exit from the Westport roundabout).

From Perth (A90)

At the first roundabout at Dundee, take the third exit along riverside drive (A85). At the next three roundabouts, go straight ahead. At the next roundabout, take the first exit, signposted 'Coupar Angus', towards city centre. At the traffic lights, stay in the right hand lane and go straight across the junction. At the Westport roundabout take the third exit on to South Ward Street, and then turn first right on to North Lindsay Street, where parking is available. Additionally, at the end of North Lindsay Street the road goes round to the left on to Willison Street, where parking in the centre itself is available. Additional access to the centre is found via West Marketgait (the fourth exit from the Westport roundabout).

From Aberdeen, Forfar (A90)

Heading into Dundee, at first two roundabouts head straight over. Arriving at the double roundabout on the Kingsway, take the first exit on the first roundabout, and then the second exit on the second roundabout, onto Forfar Road (A929). Continue right down this road (it will change to Albert Street), until the Seagate roundabout. Take the third exit, and get into the right hand lane going through the tunnel. At the next roundabout go straight across and continue towards Dudhope roundabout in the left hand lane. At this roundabout take the first exit along Marketgait, and continue in the left hand lane through the traffic lights to Westport roundabout. Take the first exit onto South Ward Street, and then turn first right on to North Lindsay Street, where parking is available. Additionally, at the end of North Lindsay Street the road goes round to the left on to Willison Street, where parking in the centre itself is available. Additional access to the centre is found via West Marketgait (the second exit from the Westport roundabout).

From Arbroath (A92)

Follow the A92 Arbroath road straight into Dundee, reaching the Kingsway East Roundabout. Go straight across onto Arbroath road (B959, signposted City centre), and continue along to reach Albert Street. Turn left on to Albert Street and continue down the hill until reaching the Seagate roundabout . Take the third exit, and get into the right hand lane going through the tunnel. At the next roundabout go straight across and continue towards Dudhope roundabout in the left hand lane. At Dudhope roundabout take the first exit along Marketgait, and continue in the left hand lane through the traffic lights to Westport roundabout. Take the first exit onto South Ward Street, and then turn first right on to North Lindsay Street, where parking is available (you will see the entrance to the centre at the end of the street). Additionally, at the end of North Lindsay Street the road goes round to the left on to Willison Street, where parking in the centre itself is available. Additional access to the centre is found via West Marketgait (the second exit from the Westport roundabout).
